

# BUSINESS EXCLUSIVE Network

## Business Exclusive Network

### 5th Edition

Dates: April 10 - 12, 2025

Main Event Date: April 11, 2025

# Event Overview What is BEN?

- ➔ Business Exclusive Network is a business networking event host by Lilas Staffing Agency and the nonprofit GlobalBiz Connect
- ➔ An international business event designed to connect business owners with government and institutional leaders.
- ➔ Focused on fostering collaboration and exploring innovative solutions in key areas.
- ➔ Main Objectives: Enhance networking opportunities between businesses and government.
- ➔ Discuss critical topics affecting global commerce.
- ➔ Support small businesses with resources and partnerships.

# Event Highlights

Event Highlights Keynote Speakers & Panel Discussions Our program will feature an impressive lineup of keynote speakers and panelists who are leaders in their fields. Discussions will cover essential topics such as:

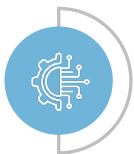

**Trade and Investment:** With the ever-changing landscape of global trade, our panels will delve into the nuances of international investment opportunities, focusing on how businesses can navigate regulations and market entry strategies.

**Technology:** The rapid advancement of technology is reshaping industries worldwide. Sessions will explore the latest trends in digital transformation, AI, and how businesses can leverage technology for growth.

**Sustainability:** As global challenges escalate, the need for sustainable business practices has never been more urgent. Experts will discuss innovative strategies for reducing environmental impact while driving profitability.

**Government Contracting:** California will host the World Cup in 2026 and the Olympics in 2028, making it a great opportunity for small businesses to secure government contracts with the State of California.

# Networking Opportunities

**Networking Opportunities:** The Business Exclusive Network aims to create an environment conducive to networking and collaboration. Attendees will have the opportunity to engage in.

**B2B Meetings:** Tailored matchmaking sessions will allow business owners to connect with potential partners and clients, fostering collaborations that can lead to mutual growth.

**Certification of Participation:** All attendees will receive a Certification of Participation, recognizing their involvement in this international business forum. This certificate serves as a testament to their commitment to professional development and networking in the global marketplace.

**Exhibitions:** Attendees will experience a diverse exhibition featuring innovative products and services from businesses across various sectors, providing insights into market trends and consumer needs.

**B2G Engagements:** Government representatives will be present to discuss potential contracts, grants, and resources available to businesses, particularly as Los Angeles prepares for the World Cup in 2026 and the Olympics in 2028.

# Why Attend?

## Connection Opportunities:

Los Angeles, as a major global economic center, provides a unique setting for connecting with both local and international business leaders.

## Business Exclusive Network (BEN):

This platform enables local residents and international visitors to build valuable business connections that promote growth.

## Global Event Collaborations:

The upcoming World Cup and Olympics are creating demand for partnerships, with local businesses preparing for international exposure.

## Access to Key Officials:

Attendees will have direct access to government leaders, including mayors and council members, to learn about opportunities tied to these events.

## Support for Small Businesses:

Organizations like the U.S. Small Business Administration will be involved, underlining the event's focus on small business growth and access to resources.

## Insight into Emerging Trends:

Panels and keynotes will cover essential topics, including sustainability and technology, helping participants stay competitive and forward-thinking.

# Conclusion

The 5th edition of the Business Exclusive Network is not just an event; it's an opportunity to shape the future of international business.

With a robust program filled with valuable content, meaningful networking, and the chance to connect with key stakeholders in the government and industry, attendees will leave equipped to take their businesses to the next level.
